About Me

I am a multi-disciplined designer focused on an aesthetically pleasing, yet practical and logical user experience. With over 5 years of experience in design and over 16 years of customer service experience, I have developed into a designer concerned above all with the user experience.

Education

Art Institute of California – Orange County Bachelor of Science in Interior Design | 2009
Saddleback College Associate of Arts in Web Design & Ecommerce Design | 2015
